December 8, 2003

Sir:

Applicant gratefully acknowledges the Office Action dated September 8, 2003. It is respectfully requested that the application be amended as follows:

**IN THE CLAIMS:**

Please amend the claims in accordance with the following listing of claims:

- B.
1. (Previously Amended) A method of mobility and service recovery for a user in a wireless communication network, said method comprising:  
storing service information concerning the user in a registrar;  
sending a subscription message from a user terminal to the registrar, a header in the subscription message containing a unique indication of a particular user; and
